WORKING DRAFT - PUBLICATION CONTROL: This document is drafted for the RedTree launch. Do not publish until the Global Compliance Matrix confirms the related launch implementation. Any text marked 'TBD BEFORE PUBLICATION' must be resolved and removed before release.

1. India free pilot

RedTree is initially offered in India as a free pilot. No paid RedTree subscription is offered to India users during the pilot unless SIMG expressly announces a later paid launch under updated terms.

2. No automatic payment

The India pilot does not require a payment card and does not automatically convert into a paid subscription. The separate 1 GB Online Storage/Sync test may be limited to 30 days, but expiry of that test does not create a payment obligation.

3. Applicable terms

The Global Terms of Use & Software Licence, Privacy Policy, Retention & Deletion Policy, Acceptable Use Policy, AI/Storage/Sync Notice and this India Addendum apply to the pilot.

4. Features and changes

Pilot features may evolve as RedTree is developed, subject to mandatory law and the Global Terms. SIMG will not introduce a paid recurring subscription for India users without presenting the applicable price, billing, cancellation and updated legal terms before purchase.

5. Support and complaints

Pilot questions or complaints may be sent to contact@thesimg.com | +33 (0)1 59 58 01 53.
